## The appeals process

This licence has been given a star rating and issued following an inspection of the business.

To ensure fairness to businesses, Central Bedfordshire Council has an appeal procedure in place for businesses to dispute the star rating given in respect of their business, procedure as per this document. The appeal procedure is relevant where the business wishes to dispute the star rating given as not reflecting the animal welfare standards and risk level of their business at the time of the inspection. This should not be used if the business has made improvements to their business and wishes to be reassessed – in this case, the business should apply for re-inspection

If a business wishes to appeal the star rating given by the 'inspecting officer' (i.e. the officer undertaking the inspection) on behalf of Central Bedfordshire Council, the appeal should be made in writing (including by email) to the Council, and can be sent to:

[Health&Safety@centralbedfordshire.gov.uk](mailto:Health&Safety@centralbedfordshire.gov.uk)

A business disputing a rating should be encouraged to discuss this informally first with the '**inspecting officer**' so that there is an opportunity to help explain to the business how the rating was worked out, as this may help resolve the matter without the business having to lodge an appeal. Any such discussions do not form part of the formal appeal process and do not change the deadline within which an appeal must be lodged. Note if the business does lodge an appeal and the matter is resolved informally, the business may subsequently withdraw it, if they wish.

Businesses have **21 days** (including weekends and bank holidays) following the issue of their licence in which to appeal the star rating.

The appeal should be determined by a designated manager, details below. No officer involved in the production of the rating, or in the inspection on which the rating is based should consider the appeal.

Central Bedfordshire Council will deal with the appeal within 21 days (including weekends and bank holidays) from the date we receive the appeal to consider the appeal, within which time we will issue a decision to the business.

Central Bedfordshire Council will determine the outcome of an appeal by considering the paperwork associated with the inspection and the past record of the business. In some circumstances, a further visit to the establishment may be required. The appeal process will be transparent. The costs of any additional inspections related to the appeal will be borne by the applicant unless it results in a higher rating being awarded. This will depend on the nature of the dispute and whether a decision can or cannot be made on the basis of the paperwork.

If the business disagrees with the outcome of the appeal, they can challenge the Council's decision by means of judicial review. The business also has recourse to the Council's complaints procedure (including taking the matter to the Local Government Ombudsman where appropriate) if they consider that a council service has not been properly delivered

## Requests for re-inspections for re-rating purposes

To ensure fairness to businesses, Central Bedfordshire Council has a procedure in place for undertaking re-inspections at the request of the business for re-assessing their star rating. Please contact the officer issuing the licence for more information.
